

Name: TJ Bernard

Hometown: International Falls, Minnesota

Where are you at in life now? I am finally about to graduate high school this spring and then attend Rainy River Community College next fall semester.

Last good book you read: Anthem, by Ayn Rand

Last good movie you saw: The last good movie that I watched in theaters was Source Code. Not my favorite ever certainly but it had some decent action and made me think.

Favorite food: Pierogis served with ham or bacon!

A country you would like to visit: I would really like to visit Australia because I think it would be a great vacation, sitting on the beach, maybe trying some surfing, and seeing some kangaroos and other awesome different wildlife than northern Minnesota.

A Bible character (other than Jesus) you would like to meet: I would like to meet Adam. I would ask him how powerful it is to be as much in God's presence as he and Eve were, and as long as I got to meet him I would surely ask him how he came up with all the names for the animals.

A Bible verse that has been important to you this year: "I can do all things through Christ, Who strengthens me." (Phil 4:13)

Favorite thing about Bluewater: My favorite thing about Bluewater is how beautiful that it is. I love to do all the fun stuff like ski and fish, but my favorite thing is definitely just sitting on the beach or out in a boat enjoying some peace and quiet, or fellowship if I have friends with me!
