

Name: Zach Jaszczak

Hometown: Lancaster, MN

Where are you at in life? I just recently completed my Junior year at Minnesota State University - Moorhead, where I am seeking a B.S. in Operations Management. In Fall 2011, I will be taking a semester off to go to Speculator, NY with LIFT (Leaders In Further Training) Discipleship, further seeking God and his will for my life.

Last good book I read: I haven't actually finished a book in a while, but Do Hard Things by Brett and Alex Harris is a good read.

Last good movie I saw: Soul Surfer

Favorite Food: Anything that comes out of Mom's kitchen. She is pretty much the best:)

A country you would like to visit? Australia would be someplace I'd like to visit for fun. I would also like to go back to Haiti and continue to help with the rebuilding effort. This past January I was blessed with the opportunity to help at an orphanage with construction projects, and it really opened my eyes to the things God can do through me for his kingdom.

A Bible character you would like to meet: Job. Life kicked him pretty good, so it would be interesting to hear his experience first-hand of how he had so much faith and trust in God when things were tough.

A Bible verse that has been important to you this year:

Philippians 2:3-5 ~ Do nothing out of selfish ambition or vain conceit, but in humility consider others better than yourselves. Each of you should look not only to your own interests, but also to the interests of others. Your attitude should be the same as that of Christ Jesus.

Proverbs 4:23 ~ Guard your heart above all else, for it determines the course of your life.

Favorite thing about Bluewater: Skits, skits skits, I love skits; worship/chapel; slush; staff hunt; and seeing God use all of these things for his glory through the staff and kids.
