Cabin Buddy

One of the benefits of camp is meeting new people, plus the benefit of being with a friend in the cabin. Each camper will find out his/her cabin assignments upon arrival at camp. To be placed with a friend of your choice, both camper and friend must request each other as cabin buddies. Please sign up for no more than one cabin buddy. There is no guarantee that clusters of friends will be placed together in cabins since we deal with many circumstances: cabin size, number of counselors, number of campers of each gender, age, and more.

Please list only one.

CELL PHONES

We understand that cell phones are common among today's youth and may be helpful while traveling to and from camp. However, due to cameras and video capabilities and uploading to the Internet, cell phones will be collected and stored in the office during the camp session. Cell phones found by Bluewater staff not turned in will be placed in the office and there will be a required \$25 donation to the missions project when retrieving it. We desire campers to have an experience in a natural setting where the distractions of every day are removed.
